ASSISTED LIVING

## FEATURES

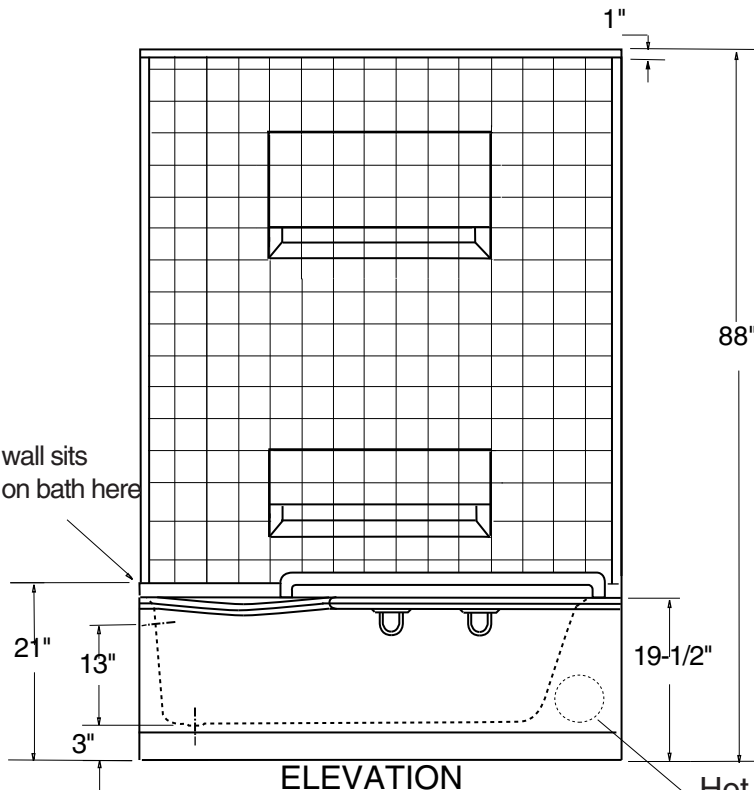

- Unique multi-piece, fiberglass jetted tub/shower combination
- Seat at wheelchair height for safe and comfortable transfer for bather and caregiver.
- "Waisted" center conserves water but still delivers a higher waistline for a more comfortable soak.
- The virtually flat floor with straight tub walls reduce slipping in the standing area.
- Functional rail adds both a luxurious appearance as well as a safe guard against falling.
- The sturdy seat drastically reduces the chance of falling while entering and exiting.
- RealTile wall finish for a truly authentic tile look
